*Night Price 01:00 – 08:00 Winter and 02:00 – 09:00 in Summer Time

*5% VAT rate is representative of a typical farm account. However, you may be paying a rate of 20% depending on your farm consumption levels.

Product Terms and Conditions

- Customers who choose not to pay by Direct Debit must pay an upfront security deposit of £200
- All customers are entering into a 12 month agreement with Electric Ireland to supply their electricity, with a 3 month exit notice period.
- The security deposit will be refunded to your electricity account after 12 months, provided all accounts have been paid on time and in full during that period.
- All Electric Ireland Standard Terms and Conditions of Supply and Codes of Practices apply to this price plan.
