Standard Discount

- The Minimum top-up is £5. Increments of £1 are available thereafter. The Maximum top-up is £150.
- Extended friendly credit applies to this price plan. If credit runs out on the meter after 4pm the electricity will not be cut off until 11am the following morning, or until 11am on Monday morning if credit runs out after 4pm on Friday.
- Any emergency credit or extended friendly credit used will be automatically deducted from your next top-up.
- If a Pay As You Go Keypad Meter is installed as a result of an outstanding debt, Electric Ireland will apply an agreed percentage of each future top-up to recover any arrears on the account until such time as the arrears have been cleared.
- Discounts will apply from either the date of registration with Electric Ireland, or from the changeover date if changing from a credit meter to a Pay As You Go Keypad Meter.
- Installation of a Pay As You Go Keypad Meter is subject to a site survey by NIE Transmission and Distribution (NIE T&D) to ensure your home wiring is suitable.
- All Electric Ireland Standard Terms and Conditions of Supply and Codes of Practice apply to this price plan.
- We reserve the right to move you to our Standard Price Plan if you breach the terms of this price plan.
